Time of Calls 3:17 p.m.
 4:20p.m.

My memorandum of 7/29/61 advised our Memphis Office learned that among a group of nine freedom riders scheduled to travel from Nashville to Jackson, Mississippi today are the following two aliens; [redacted] student in this country and Herman Pabel, a German correspondent for "Quick" Magazine. Both men reportedly traveling as observers and do not plan to test facilities. Appropriate representatives of the Immigration and Naturalization Service and the Department of State and Civil Rights Division were advised of the above. *Tenn Miss*

Special Agent in Charge (SAC) Maynor, New Orleans, advised that the bus carrying the above individuals arrived at Jackson, Mississippi 12:38 p. m. Central Standard Time. Five white females and five white males including the [redacted] student and the German correspondent Pabel got off the buss and all walked into the colored waiting room. Captain [redacted] Jackson Police Department ordered all to move on but they did not. About half a minute after they entered the waiting room Captain of Detectives M. B. Pierce, Jackson Police Department (NA) arrived and spoke to [redacted] Captain Pierce took [redacted] to the police station but he is not under arrest. The four other males including Pabel, the German correspondent, and four of the white females were taken to the police station and placed under arrest.

The fifth white female is [redacted] who was taken to the police station by Captain [redacted] and a matron but not placed under arrest.

SAC Maynor stated Captain Pierce has talked to [redacted] of Protocol at State Department and hold him [redacted] student apparently wanted to be arrested and did not want to leave the bus depot willingly. In spite of this Captain Pierce escorted him to the police station. [redacted] has approximately \$4.00 in his possession. Captain Pierce and [redacted] are considering some manner of returning [redacted] to Washington, D. C. and [redacted] said he would contact the "embassy" in an effort to work out some arrangement to send money to [redacted] at Jackson. *CW*

SUBJECT: FREEBUS

Seven white freedom riders arrived in New Orleans by airplane from San Francisco 7/22/61 and proceeded to Jackson, Mississippi, by train on 7/23/61. Upon their arrival in Jackson, they entered the Negro waiting room in the Illinois Central Railroad Depot and were arrested when they failed to obey instructions of the police that they move on.

One of those arrested was [redacted] who was one of 68 individuals arrested 5/13/60 by the San Francisco Police Department in connection with rioting at the hearings of the House Committee on Un-American Activities. It has also been reported that [redacted] was one of a number of demonstrators for peace in front of the Federal Office Building in San Francisco 8/6/60 and it has been indicated that he may have some association with members of the Fair Play for Cuba Committee.

Two hundred sixty-seven freedom riders have been arrested at Jackson since 5/24/61. One hundred twenty-one have been released on bond, four have been released upon the payment of fines, one has been released without the filing of charges and four have been released on probation. One hundred thirty-seven remain in custody.

An Associated Press correspondent at Montgomery, Alabama, advised that he interviewed Cecil Thomas, white male, YMCA official of Berkeley, California, at the Trailways Bus station in Montgomery 7/23/61. Thomas stated that he and [redacted] together with another white boy who was with them, plan to travel to Ohio.

The correspondent considered Thomas to be the leader of a group of freedom riders since he was accompanied by [redacted] Pilgrim Congregational Church, San Francisco, [redacted] American Friends Service Committee, Daly City, California. [redacted] departed from Montgomery by airplane 7/23/61 en route to Dallas and San Francisco. It was stated that the Negroes did not attempt to test any facilities while in Montgomery but Thomas [redacted] and the other white boy were served at the Negro restaurant in the Trailways Bus station without incident. The Montgomery police were covering the bus station.

Memorandum to Mr. Belmont

It has been indicated that [redacted] were among those who attended an interracial meeting of clergymen held at Tougaloo Southern Christian College on the outskirts of Jackson, Mississippi, 7/20/61. It appears likely that the group in Montgomery was merely returning home from the meeting at Tougaloo Southern Christian College.

[redacted] a freedom rider who was arrested at Jackson, Mississippi, 6/2/61, was previously denied a writ of habeas corpus in U. S. District Court, Jackson, Mississippi. She later obtained a certificate of probable cause from the Fifth Circuit Court of Appeals in order that an appeal could be filed. On 7/22/61, an opinion was filed by the Fifth Circuit Court of Appeals at New Orleans denying [redacted] appeal. The opinion denying the appeal confirms the finding of the U. S. District Court that the petitioner has not attempted to exhaust state remedies, has not shown an absence of state remedies and has not shown that circumstances exist which render state remedies ineffective. It was also noted in the opinion that [redacted] did not attempt to appeal her conviction and does not claim that she is financially unable to make bond pending appeal.

A confidential source has advised that the Congress of Racial Equality (CORE) is making plans to test the facilities at the Trailways Bus station in Shreveport, Louisiana. It was stated that this would probably be done during the week end of July 29, 1961, and that within the next few days CORE will also test the lunch counters at ten-cent stores in Shreveport. Local authorities have been advised.

[redacted] the Attorney

General, referred to the daily letters which we have been sending to the Attorney General advising him of developments involving the freedom riders in the south.

[redacted] stated this information had been most helpful to the Attorney General. He stated, however, that the Attorney General will be away from the office a good deal of the time in the near future. He also noted that this situation appeared to have fallen into a routine. Under the circumstances, [redacted] felt that it would be preferable for the Bureau to bring developments in this matter to the attention of the Civil Rights Division in the established channels. He said it would not be necessary to continue the daily letter to the Attorney General but that the Attorney General would appreciate having any unusual items relating to this situation brought to his attention by special memorandum.

Future dissemination of information to the Department will be handled in line with [redacted] request.

This refers to your memorandum of June 30, 1961 in which you advised, among other matters, that it has been reported that [redacted] admitted traveling to Cuba in February 1961, with a group of students to attend a Soviet-sponsored seminar concerning the techniques of sit-ins and freedom rides.

According to information appearing in the press on June 30, Brigadier General T. B. Birdsong, head of the Mississippi Highway Patrol, made the statement at a news conference that 202 American students attended the Soviet-directed seminar in Havana in February. The article alleges that James R. Wahlstrom of Madison, Wisconsin, as well as Katherine Pleune, attended the Havana meeting. Wahlstrom stated that he went to Cuba last Christmas with other University of Wisconsin students who were members of the Fair Play for Cuba Committee.

On June 29, 1961, Mr. Lincoln White, State Department Press Officer, issued a statement warning American citizens that they face heavy penalties if they visit Cuba without special U.S. Government permission. Mr. White further advised that the Department of State has recently received information that some U.S. citizens are being encouraged to visit Cuba via Central or South America without complying with a special requirement to have their passports endorsed for such travel. Mr. White did not identify the group concerned. According to the press, other officials of the Department of State advised that about 30 students of San Francisco State College appear to have been recruited by someone connected with the college for a tour to Cuba by way of Mexico and it has been reported that similar promotion is being undertaken in other parts of the country.

Section 1185(b) of Title 8, U.S. Code, makes it unlawful to depart the United States without a valid passport to travel to a country for which a passport is required under the applicable regulations. Effective January 19, 1961, the regulations under Part 53 of Title 22, Code of Federal Regulations, promulgated pursuant to the authority of Section 1185(b), require that U.S. citizens traveling to Cuba must possess a passport which has been specifically validated for such travel.

It would be appreciated if you would furnish this Division with any information reflecting whether [redacted] [redacted] or other individuals involved in the foregoing matters, may have departed the United States to travel to Cuba subsequent to the State Department regulations issued January 19, 1961, in violation of Section 1185(b). We are also desirous of receiving information reflecting whether the seminar allegedly held in Havana in February was Soviet-directed and whether the alleged recruitment for a tour of Cuba referred to above by State Department officials, may be Soviet-inspired.

Reference is made to your letter of July 6, 1961, entitled "Freedom Ride 1961, Racial Matters; Destruction of Aircraft or Motor Vehicles; Civil Rights." With regard to your inquiries, the following is set forth:

(1) Regarding [redacted] your attention is directed to our memorandum of December 29, 1960, entitled "The Fair Play for Cuba Committee, Internal Security-Cuba, Registration Act-Cuba," a copy of which was furnished to the Records Administration Office, which contained information to the effect that [redacted] were among a group of 204 individuals which was participating in a ten-day tour of Cuba, beginning December 23, 1960, under the auspices of the Fair Play for Cuba Committee. There is enclosed herewith for your additional information one copy of a memorandum dated February 28, 1961, at Chicago, Illinois, concerning [redacted]. It is noted that [redacted] refused to be interviewed by Agents of our Chicago Office on April 27, 1961, concerning her participation in Fair Play for Cuba Committee activities. We have received no information indicating that [redacted] and/or [redacted] made any other trips to Cuba or were in Cuba during February, 1961.

(2) Regarding the alleged Soviet-directed seminar in Havana during February, 1961, we have received no information from our sources concerning such a seminar. As noted in my letter to the Attorney General of June 30, 1961, captioned "Freedom Ride 1961," this allegation was based on a press release issued by the Mississippi Highway Patrol on June 29, 1961, which, in turn, was reportedly based on admissions of Pleune to Mississippi authorities following her arrest at Jackson, Mississippi. We have instructed our New Orleans Office to make further inquiries through officials of the Mississippi Highway Patrol concerning this matter in order to determine the original source of this allegation and, if possible, to resolve it. You will be kept advised of the results of these inquiries.

FREE BUS

On July 7, 1961, Lieutenant [redacted] Newark, New Jersey Police Department, advised that the Newark Department of Public Works had received a request from [redacted]

[redacted] for permission to hold a public rally in Washington Park at 8 PM on Wednesday, July 12, 1961.

[redacted] advised that his request was in behalf of the "Committee for the Support of the Freedom Riders" and that the purpose of the rally was to inform the public ".....of the full story of the Freedom Riders." The principal speaker at this rally was to be James Farmer, National Director of the Congress of Racial Equality (CORE). *NEWARK, NJ* NS

Lieutenant [redacted] advised that in all probability, the requested permission would be granted.

On July 12, 1961, [redacted] furnished the following information regarding the rally scheduled for 8 PM that evening.

It was originally planned to have CORE sponsor a rally in Newark in order to publicize the plight of the Freedom Riders in the south and to recruit Freedom Riders from the Newark area.

Shortly after the plans were formulated, it was noted that certain civic and labor organizations who were in accord with the objectives of the Freedom Riders were reluctant to become openly associated with a cause being sponsored by CORE. Accordingly, it was decided to disassociate CORE from the rally and to have the rally sponsored by a newly formed group called the "Committee for the Support of the Freedom Riders." [redacted] stated that within a short time after plans for the rally were made known, the committee received a total of over 150 pledges from individuals who appeared to be willing to make freedom rides to the south. In view of this, it was planned to charter a number of buses and have these buses depart from Newark immediately after the rally.

157-387-794
ENCLOSURE

FREE BUS

[] stated that when he undertook to confirm the pledges, he found that virtually all who had previously pledged themselves to participate in the freedom ride reneged on their pledge for one reason or another. Some of the reasons given were that the pledgers could not afford to be absent from their jobs in the event they were jailed and that they could not afford to make return trips south to attend the legal proceedings which would follow their arrests.

As a consequence of these withdrawals, it appeared that despite the original plans for an elaborate send off of a large number of Freedom Riders, there might be no Freedom Riders to send south. Plans for chartering buses were cancelled.

As of the afternoon of the rally date [] was certain of only three Freedom Riders, [] of Cranford, New Jersey, [] New Jersey, and [] New Jersey. He stated that there was a possibility that these three men might be joined by two men from the New York City area.

[] stated that because the situation was changing from hour to hour as to the number of individuals who might go south as Freedom Riders, the plans for their departure, itinerary and destination were constantly changing. He stated that as of July 12, 1961, the plans were for the above-mentioned Freedom Riders to depart from the Greyhound Bus Terminal in New York City at 7 AM on July 13, 1961 on a bus scheduled to arrive at Charlottesville, Virginia, at 3 PM that day. At Charlottesville, the group planned to spend the night at the Thomas Jefferson Inn Motel and on the following morning to depart for Chattanooga, Tennessee.

FREE BUS

According to [] the group intended to test segregation laws at the bus terminals en route to Chattanooga. The group agreed that if they were arrested en route, they would spend a minimum of two months in jail before posting bail.

In regard to the rally scheduled for July 12, 1961, [] stated that the principal speaker would be James Farmer, National Director of CORE. Approximately 500 supporters of the Freedom Riders were expected to attend. [] stated that he expected no difficulties at the rally except for possible heckling by members of the Nation of Islam who are unalterably opposed to the mingling of Negroes with whites.

On July 13, 1961, Lieutenant [] Newark Police Department, advised that he and other officers attended the rally on the preceding night. He estimated that approximately 200 people, approximately 50% white and 50% Negro, were in attendance. He stated that the rally was orderly in every respect and that no incidents were observed.

On July 14, 1961, [] advised that the group originally scheduled to depart by Greyhound bus at 7:00 a.m. on July 13, 1961, had in fact departed by Trailway bus at 10:30 a.m. He stated that [] had been joined by []

On July 27, 1961, [] of Cranford, New Jersey, furnished the following information. He stated that he volunteered to participate in a freedom ride because he sincerely feels attention should be drawn to the "oppressed plight" of the Southern Negro. He stated that he is not a member of CORE and that to his knowledge the only CORE member in the group was []

[] stated that at the outset all members of the group were advised to deny to the press that the group was in any way affiliated with CORE. At several points he was asked by reporters whether he was a member of CORE, and he stated that he was not.

According to [] the trip was poorly organized, and the group did not know from day to day what their plans

FREE BUS

would be for the following day. He noted that their departure from New York City on the first day was delayed because one of the group was late in arriving at the bus terminal due to some misunderstanding as to departure time. At the end of each day, [] would telephone CORE headquarters in New York City and give an account of the day's activities and thereafter receive instructions for the next day.

[] stated that the group was surprised when they arrived in Little Rock on July 20, 1961, and found no one at the terminal awaiting their arrival. He stated that although they attempted to keep their travel plans secret, they observed that the bus drivers would relay their arrival time by telephone. In view of this the group expected a hostile reception in Little Rock, but their arrival there was ignored.

While in Little Rock the group contacted the National Association for the Advancement of Colored People (NAACP) and inquired as to why representatives of this group were not on hand to welcome them. They received evasive answers and concluded that representatives of the NAACP deliberately were absent because they were fearful of physical violence. While in Little Rock the group considered staying in a white motel but were advised that this could not be arranged. They then considered a colored motel but decided that this would attract police officers to the motel where a high percentage of Negro guests not involved in the freedom ride might be arrested for cohabitating with persons of the opposite sex to whom they were not married. The group ultimately spent the night in the private homes of "friends."

[] stated that after their arrival in Little Rock, the group reported by telephone to CORE in New York City. The group was advised that in view of the fact that they had not been arrested they should proceed to Louisiana. Because the group was becoming physically weary of bus travel, they protested a further extension of their trip. The group was then advised to decide among themselves as to whether they should continue or return home. The group then voted amongst themselves and decided to return home. [] stated that he returned to Cranford, New Jersey, by plane on July 21, 1961.

[] stated in conclusion that all expenses incurred en route, including the bus fare, were paid by CORE.

IN THE UNITED STATES COURT OF APPEALS
FOR THE FIFTH CIRCUIT

b6
b7c

In the Matter of:

For a Writ of Habeas Corpus.

Before ~~WATKINS~~, Chief Judge, ~~THOMAS~~ and ~~JONES~~, Circuit Judges.
BY THE COURT:

The petitioner herein seeks an order authorizing her to appeal from an order entered July 6, 1961, entered by the United States District Court for the Southern District of Mississippi, and moves for permission to proceed on her appeal upon the original papers filed in said District Court. Petitioner further moves for an immediate hearing of said appeal.

Petitioner asserts that she was arrested "for entering the white waiting room at the Continental Bus Terminal, Jackson, Mississippi, in the company of other interstate passengers of the Negro race, was sentenced on June 5, 1961, to two months imprisonment in the Hinds County Jail, suspended, and a fine of \$250 for violating Section 2037.3, Mississippi Code of 1942, As amended."

Petitioner asserts that because of the short term of her detention, and "the clear violation by respondent of the constitution and laws of the United States, the requirement that she must first exhaust her state remedies would, in effect, deny her the right of habeas corpus, in a situation where it was the sole effective remedy with which to safeguard her statutory and constitutional rights and liberties."

It so where appears in the petition that the petitioner has attempted to exhaust remedies available to her in the courts of the state of Mississippi, or that there is either an absence of available state remedies or that other circumstances exist

which render such state remedies ineffective to protect the rights of the prisoner.

The jurisdiction of a federal court is fixed by the Acts of Congress. 28 U.S.C.A. §2254 provides as follows:

"§2254. State custody; remedies in State Courts. An application for a writ of habeas corpus in behalf of a person in custody pursuant to the judgment of a State court shall not be granted unless it appears that the applicant has exhausted the remedies available in the courts of the State, or that there is either an absence of available State corrective process or the existence of circumstances rendering such process ineffective to protect the rights of the prisoner.

An applicant shall not be deemed to have exhausted the remedies available in the courts of the State, within the meaning of this section, if he has the right under the law of the State to raise, by any available procedure, the question presented."

It not appearing from anything asserted in the petition in this case that petitioner sought to appeal her conviction, which she alleges to have been void and unconstitutional, or that she is financially unable to make bond pending such appeal, and it not appearing that petitioner has no right to test her detention by habeas corpus in the state courts of Mississippi, there appears to be no sound reason for this Court to grant petitioner's motion for expediting the hearing in this Court. There thus appears to be no sound reason for granting petitioner's motion for permission to appeal upon the original papers, since no allegations are contained in the petition asserting petitioner's financial inability to cause the record to be prepared in accordance with the rules of this Court.

The motions are, therefore, DENIED.

[redacted] Wisconsin, arrived in Jackson, Mississippi, aboard a Greyhound Bus at 6:05 p.m., 7/31/61, from Memphis, Tennessee. He entered a telephone booth in the colored waiting room of the terminal and after twice refusing the orders of a Jackson police officer to move on, he was arrested for breach of the peace and jailed. The arrest was made without incident.

[redacted] was previously arrested as a freedom rider in Jackson, Mississippi, on June 6, 1961, and released on appeal bond June 24, 1961. He is the individual who was among a group of 204 individuals who participated in a ten-day tour of Cuba, beginning 12/23/60 under the auspices of the Fair Play for Cuba Committee. Shortly after his previous arrest, the Mississippi Highway Patrol made a press release reportedly based on admissions of *[redacted]* another freedom rider who also accompanied the group of 204 on the tour of Cuba, alleging that the group attended a Soviet directed seminar in Havana during February, 1961, at which they were instructed on techniques to employ in sit-ins and "freedom rides." Inquiries conducted by the Bureau indicated that this allegation was without foundation.

The four freedom riders who were arrested in Jackson, Mississippi, 7/24/61, were convicted in municipal court 7/26/61. Each was sentenced to serve four months in jail and was fined \$200.

Two hundred seventy-one freedom riders have been arrested at Jackson since 5/24/61. One hundred fifty-three have been released on bond, four have been released upon the payment of fines, one has been released without the filing of charges and four have been released on probation. One hundred nine remain in custody.

The Freedom Action Committee of Chicago plans to hold a rally 7/30/61 in Chicago for the purpose of raising funds to finance the recruiting and training of freedom riders.

In connection with the suit previously filed at Tallahassee, Florida, by three Negro plaintiffs who seek to end segregation of the restaurant in the Tallahassee airport, a brief was filed for the plaintiffs on 7/25/61. The brief alleges that a three-judge court is not necessary because the suit does not raise a constitutional point but that the only issue involved is whether the concessionaire, under color of state law, unlawfully denies food service to Negroes solely because of their race. The defendants have five days to reply and no date has been set for a further hearing.

It has been alleged that [redacted] aged [redacted] who resides in [redacted] Alabama, wrote a letter to the "Montgomery Advertiser" in which she expressed approval of the freedom riders. On the evening of 7/24/61, two carloads of hooded men allegedly went to the [redacted] home and beat [redacted] as well as [redacted]. The four victims required medical treatment. Approximately ten men allegedly entered the house and asked, "Who wrote the letter?" One of the men is reported to have made a statement to the effect, "We are going to teach you that you are better off like you are." One of the men was unhooded and was distinguishable as a white man. The intruders fired shotguns

WISCONSIN SOCIALIST CLUB

On December 10, 1957, a source described the Wisconsin Socialist Club (WSC) as then a duly registered and authorized student campus organization at the University of Wisconsin with a charter membership of 21, including MATTHEW CHAPPERON and RONALD RADOSH.

On 9/20/60, this source reported that RADOSH and CHAPPERON had been elected President and Secretary respectively for the 1960-61 school year.

CHAPPERON and RADOSH were publicly known as officers of the University of Wisconsin chapter of the Labor Youth League during the 1955-56 school year.

RE: FREEBUS
RACIAL MATTERS

On July 26, 1961, Memphis Confidential Informant
T-1, [redacted]
[redacted] Tennessee, furnished the
following information:

On or about July 24 or 25, 1961, a young Negro
man came into [redacted] and
asked if he could leave a poster in the window. He
stated that he was collecting contributions to the
Freedom Riders Fund and wished to know if the source
would contribute. The source declined on the basis
of not being financially able. He agreed, however, to
the poster being left in his window.

The source stated that he is sympathetic with
any group who is being mistreated but that he is suspicious
of outsiders coming into the South to take up the Negroes'
cause and that he feels this is the case of the Freedom
Riders.

The poster is printed on cardboard approximately
12" by 18". It shows the caricature of a crow standing
upright as a man. He is dressed as a two-gun man with
a wide brim hat, open collared shirt and wearing a star-
shaped badge. In the background it shows a bus with scenes
of men on the ground being kicked by others. The following
is printed in the upper right-hand corner and is apparently
intended to be spoken by the principal figure, "AH KNOW'M
they aint gonna GIVE NUTTIN." Across the bottom of the
poster is printed, "DOES HE SPEAK FOR YOU? GIVE FREEDOM
RIDERS FUND GREATER BETHESDA BAPTIST CHURCH, 53rd. Mich."
Stamped on the poster by rubber stamp is the notation
"Student Non-Violent Movement, Chairman, James Bevel,
phone AL 5-8757."

There is no Bethesda Baptist Church at 53rd
Avenue North and Michigan Avenue in Nashville, Tennessee.

FREEDOM RIDE 1961
RACIAL MATTERS; DESTRUCTION OF
AIRCRAFT OR MOTOR VEHICLES; CIVIL RIGHTS

Information has been received which indicates that National Headquarters of the Congress of Racial Equality (CORE) has informed CORE officials throughout the country that an emergency exists, all field secretaries are to be alerted for possible transfer and all freedom riders who have been released on appeal bonds are to return to Jackson, Mississippi, on August 14, 1961.

It is noted that one hundred seventy-four freedom riders have been released on appeal bonds at Jackson, Mississippi. These bonds are returnable in Hinds County Court, Jackson, Mississippi, on August 14, 1961, which is the first day of the court term. It has been a rule of the court since March 25, 1960, that every person who has been released on an appeal bond must be present on the opening day of court and each day thereafter until disposition has been made of the case. Failure to be present when the docket is called can mean forfeiture of the appeal bond. We have been advised that Jack Travis, City Prosecutor, Jackson, Mississippi, has brought this rule to the attention of [redacted] attorney for the freedom riders.

J. Robert Gilfoy, Sheriff, Hinds County, Jackson, Mississippi, stated on August 3, 1961, that his office is holding approximately \$87,000 in cash bonds which have been posted by CORE for the freedom riders. Sheriff Gilfoy expressed the opinion that CORE may be in financial difficulty as several days ago [redacted] informed him that fifteen freedom riders would post bond. Shortly thereafter, [redacted] informed Sheriff Gilfoy that only seven would make bond as he did not have enough money to post bond for the remaining eight.

INTERNAL SECURITY - CUBA

By letter 7/6/61 Assistant Attorney General Yeagley of Internal Security Division has requested additional information concerning alleged travel to Cuba of [redacted] who were among youths involved in recent "freedom rides" in Mississippi. Yeagley has also requested information regarding group of students from San Francisco area who reportedly were to visit Cuba in defiance of State Department ban on travel to that country as well as information concerning an alleged seminar conducted in Havana, Cuba, by Soviet instructors which was attended by American students.

Yeagley has referred to information appearing in press 6/30/61 attributed to Brigadier General T. B. Birdsong, head of Mississippi Highway Patrol, to effect 202 American students attended a Soviet-directed seminar in Havana in February, 1961, including [redacted]. It is noted that [redacted] year old [redacted] who was formerly University of Chicago student, was arrested by Mississippi authorities at Jackson on 6/10/61 in connection with so-called "freedom rides." [redacted] year old [redacted] who is student at University of Wisconsin, was among group of "freedom riders" who were arrested by Jackson Police Department on 6/6/61.

In his letter of 7/6/61 Yeagley also referred to State Department press release of 6/29/61 to the effect that group of some 30 students from San Francisco State College had reportedly been organized to make a tour of Cuba by way of Mexico. Yeagley noted that under regulations issued by State Department effective 1/19/61, U. S. citizens traveling to Cuba must have passport specifically validated for such travel. Yeagley requested any information Bureau has indicating [redacted] or "other individuals in the foregoing matters left U. S. for travel to Cuba subsequent to State Department ban." Yeagley also requested any information as to whether alleged seminar in Havana was, in fact, Soviet-directed and whether proposed tour of Cuba by San Francisco student group may have been Soviet-inspired.

Memorandum to W. C. Sullivan
Re: [redacted]

OBSERVATIONS:

(1) Both [redacted] are known to have participated in tour of Cuba, sponsored by pro-Castro Fair Play for Cuba Committee from 12/23/60 to 1/2/61, and information in this regard was previously furnished to Department. [redacted] is not known to be otherwise connected with Fair Play for Cuba Committee or other pro-Cuban activities; however, [redacted] described as beatnik type, has taken part in Fair Play for Cuba Committee activities at Chicago. She refused to be interviewed by Bureau Agents at Chicago on 4/27/61.

(2) Concerning alleged Soviet-directed seminar in Havana, during February, 1961, we received no information from our sources concerning such a seminar and we have no information indicating that [redacted] traveled to Cuba in February or that a group of some 200 American students did so. This allegation, as noted in our letter to the Attorney General 6/30/61, captioned "Freedom Ride 1961," was based on press release of Mississippi Highway Patrol on 6/29/61 which purportedly was based on admissions of [redacted] to Mississippi authorities. Supposedly, Mississippi Highway Patrol originally received information concerning this matter from unidentified source in Florida, described as [redacted]. In addition, representative of Mississippi Highway Patrol advised New Orleans (New Orleans teletype 6/29/61, entitled "Freebus") that Mississippi Highway Patrol had received information from unidentified investigative agency in Florida to the effect that during the alleged Soviet-directed seminar, students were instructed on techniques to employ in sit-ins and freedom rides. It was indicated that Mississippi authorities would verbally advise press of this information.

(3) Concerning reported tour of Cuba by San Francisco students, San Francisco Office had thorough coverage of this matter and full information concerning proposed tour has previously been disseminated to Department and other interested agencies. Tour was being organized by two sons of [redacted] Security Index subject in San Francisco, but was called off following State Department warning. We developed no information indicating that tour was in any way Soviet-inspired.

ACTION:

Attached is letter to Internal Security Division calling attention to information previously furnished to Department concerning and their participation in Fair Play for Cuba Committee tour as well as data previously furnished Department relative to proposed tour by San Francisco student group. We are advising Internal Security Division that we have received no information concerning alleged Soviet-directed seminar in Havana or indicating Soviet involvement in proposed tour by San Francisco group. We are further advising Department that we are making further inquiries through Mississippi authorities to establish basis for allegations of Soviet-directed seminar and, if possible, to resolve this.

Also attached is airtel to New Orleans instructing that appropriate officials of Mississippi Highway Patrol be contacted in effort to determine original source of allegations re Soviet-directed seminar and to resolve these charges, if possible. Our relations with Commissioner Birdsong of Mississippi Highway Patrol have been good. Copy of airtel being furnished Miami in view of possible subsequent inquiry by that office. Results of these inquiries will be furnished Internal Security Division on receipt.

The "Seattle PI", July 31, 1961, carried an article stating that WIDJONARKO TJAKROADISUMARTO, age 25, an exchange student at the University of Washington, was perplexed over the refusal of the Jackson, Mississippi Police Department to arrest him as a freedom rider. This article states that he is the son of an Indonesian diplomat who met 15 freedom riders at the train station in Jackson, Mississippi.

FREEDOM RIDERS - MISC

Information has been received that the Congress of Racial Equality (CORE) is sponsoring a "freedom walk" in Los Angeles on 8/5/61. This is reported to be a rally in support of the freedom riders, and _____ is to speak.

Information has also been received of plans to hold a demonstration on 8/11/61 at the Los Angeles Rams - Washington Redskins football game in Los Angeles. This is a charity game sponsored by the "Los Angeles Times" newspaper. On 8/2/61 this paper reported it had received a written protest from the National Association for the Advancement of Colored People (NAACP) because of the Redskin policy of not employing Negro players. The same letter is also reported to have been sent to the Los Angeles Rams and various county and city officials. The letter allegedly threatened a boycott of the game.

Los Angeles has advised that CORE plans to hold the "freedom walk" as scheduled; however, plans for the demonstration at the football game are still in the discussion stage and have not solidified. CORE leadership is reportedly indifferent to holding a demonstration at the football game and according to Los Angeles there is no indication of planned demonstration by the NAACP.

On 8/2/61 HILMAR EHRENFRIED PABEL, photographer and reporter for "Quick" magazine, Munich, Germany, appeared at Jackson RA accompanied by [redacted] student. PABEL advised SA HUNTER E. HELGESON that he is doing an article for "Quick" magazine on the Freedom Riders. He stated he had interviewed the mayor of Jackson and other individuals and intends to seek an interview with the Governor of the State of Mississippi.

PABEL said he desired the FBI's comments on the FRs. He also said he had heard stories that some of the FR prisoners had been mistreated in the Mississippi State Penitentiary in the past and wanted to know if this were true. He talked at length about the fact that Miss. segregation policies were hurting the United States in the eyes of other countries. He mentioned that he had dined at the Palmer House in Chicago with Negroes and could not see why he should not be able to associate in like manner with them in Miss. He interspersed his conversation with questions of a general nature re segregation practices in Miss. All of PABEL's questions were answered with "no comment."

He asked if the FBI could arrange for him to visit the Miss. State Pen, Parchman, Miss. and the Freedom Riders there. He was advised that he should contact Sheriff J. ROBERT GUILFOY, Hinds County, Jackson, re this matter.

In connection with the freedom riders who have been released on appeal bonds and who must appear in Jackson, Mississippi, for the opening day of court on August 14, 1961, the Congress of Racial Equality (CORE) has sent registered letters to one hundred eighty-six freedom riders giving instructions for proceeding to Jackson. [REDACTED]

[REDACTED] CORE, New York, anticipates that ten or fifteen of the freedom riders will probably not appear in Jackson for one reason or another.

CORE has made plans for the freedom riders to assemble at New Orleans, Louisiana, Nashville, Tennessee, and Atlanta, Georgia, on August 11, 1961. A mass meeting which will be open to the public is scheduled to be held in each of these cities on the evening of August 11, 1961, and these meetings will be advertised locally. On August 12, 1961, the freedom riders will receive instructions from CORE officials on the manner in which they should conduct themselves in Jackson and they plan to proceed to Jackson by chartered buses on August 13, 1961. A mass meeting of the freedom riders is contemplated on August 13, 1961. This meeting probably will be held at a church, and it will be for the purpose of enabling the freedom riders and their attorneys to plan their defense.

[REDACTED] stated CORE does not anticipate that the freedom riders who are returning to Jackson in connection with their appeal bonds will make any tests of facilities, although he considers it possible that some members of the group may make such tests on an individual basis.

[REDACTED] also advised that a new group of freedom riders may arrive in Jackson on August 14, 1961, by commercial transportation rather than by chartered bus.

The Attorney General

[redacted]
accompanied a group of freedom riders into Jackson, Mississippi, on July 29, 1961. In view of her physical condition, she was not arrested although others in her group were taken into custody.

On August 5, 1961, [redacted] returned to Jackson with [redacted]. They were served at the lunch counter in the Negro waiting room of the Trailways bus terminal in Jackson, and they informed the press they would remain until they were arrested. They were not arrested and they left Jackson by the Illinois Central Railroad on August 6, 1961, arriving in New Orleans, Louisiana, early in the morning of August 7, 1961. Prior to leaving Jackson, they used the Negro waiting room at the railroad station, and upon their arrival in New Orleans, they tested both white and Negro facilities at the Illinois Central Railroad station without incident.

[redacted] have purchased railroad tickets from New Orleans to Jackson, and [redacted] COKE representative at New Orleans, has advised that [redacted] will proceed from New Orleans to Jackson by Illinois Central Railroad on August 13, 1961. Between now and August 13, 1961, they contemplate testing lunch counters and picketing stores in New Orleans.

Further pertinent developments will be promptly brought to the attention of the Department.

July 21, 1961

"The Sun", a Baltimore, Maryland newspaper, dated July 19, 1961, contained an article to the effect that on July 18, 1961, JOEL GREENBERG, age - 21, 7103 Boxford Road, left the Greyhound Bus Station, Baltimore, for Nashville, Tennessee, as Baltimore's first "freedom rider." According to the article, GREENBERG said he had studied for a year at St. Johns College, Annapolis, Maryland and for the last nine months has been working for his father and taking a few courses at Loyola College, Baltimore, in the evenings.

GREENBERG said he expects to be met in Nashville by representatives of the Christian Leadership Conference. Just before boarding the bus, he described the trip as "just a matter of being a liberal American."

According to this article, Miss RIKKI ROSENTHAL, Vice Chairman of the Baltimore Chapter of Congress of Racial Equality, said this group expects to send some 18 more riders to the South in the near future. She added an application is sent to the New York Office of Congress of Racial Equality for screening and the candidate for the ride is interviewed before being sent on a freedom ride.

"The Sun" newspaper, dated July 22, 1961, contained an article stating in effect that JOEL BEN GREENBERG, 7103 Boxford Road, Baltimore, was fined and jailed on July 21, 1961 in Jackson, Mississippi. According to the article, GREENBERG was one of four "freedom riders" given \$200.00 fines and four months jail sentences. None of them presented a defense but agreed through their attorney that theirs was a continuance of earlier trials in which 243 others have been convicted of Breach of the Peace.

On June 30, 1961, a confidential source, who has furnished reliable information in the past, advised that [redacted] attended a meeting of the Maryland Chapter of the Fair Play for Cuba Committee (FPCC), held on [redacted]. FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500.00 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100.00 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times."

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, Communist Party, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

RE: FREEDOM RIDERS

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 11-10-2009 BY 60324 UC BAW/SAB/STW

On July 31, 1961, [redacted] Temple Emanu-El, Birmingham, Alabama, advised he had just received a telephonic inquiry from Rabbi JACOB WEINSTEIN of the K.A.M. Temple, 930 East 50th Street, Chicago, Illinois, concerning one [redacted] a member of the K.A.M. Temple. Rabbi WEINSTEIN advised him that [redacted] had been arrested on an unknown date as a "Freedom Rider" by local authorities at Selma, Alabama. He advised that [redacted] had been badly beaten at Selma, prior to his arrest on a local charge, and his trial was to be held August 3, 1961, at Selma.

[redacted] Rabbi WEINSTEIN stated he received word that [redacted] was unable to obtain a white attorney to represent him at the trial, and that he will go to trial represented by a Negro attorney, made available to him by the COMMITTEE ON RACIAL EQUALITY (CORE). Rabbi WEINSTEIN expressed the opinion to [redacted] that he did not feel [redacted] will receive a fair trial under the circumstances, and desired [redacted] notify appropriate authorities of the Federal Government. [redacted] stated he was, therefore, furnishing this information to the Birmingham Office of the Federal Bureau of Investigation, and he did not know what other action he could take in this matter.

He was informed that this information would be immediately furnished to FBI Headquarters in Washington, D. C., and to the Department of Justice.

This memorandum is loaned to you by the Federal Bureau of Investigation and neither it nor its contents are to be distributed outside the agency to which loaned.

SA [REDACTED] of Washington Field called at 9:55 this morning to advise that the freedom rider's bus from New York had arrived and the 37 passengers changed to a chartered Greyhound Bus here in Washington, D. C. They left en route for Roanoke, Virginia, at 9:48 a.m. The trip is expected to take approximately five and one-half hours and the bus is going by way of Fairfax, Warrenton and New Market, Virginia. After arriving at Roanoke, the group will change buses and continue on its way to Jackson, Mississippi. The bus from New York had been delayed in its arrival here because of a break down on the way. There were no incidents attached to the arrival or departure of the group.

This is for your information.
